The Norfolk - Floorplan (Type C on Site Plan)

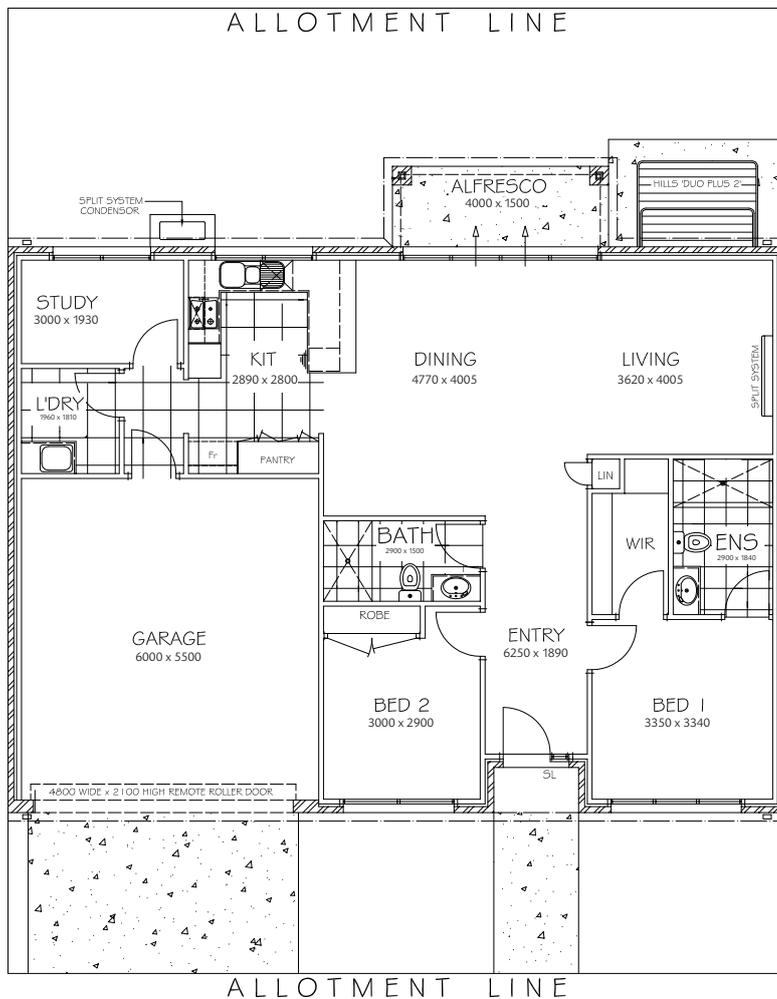

Our most spacious two-bedroom and study home, with generous and functional living/dining area. It has a double garage also for the second car or extended workshop or storage.

Sharing many features of our two bedroom 'The Guildford', this 2 bedroom home is oriented to service our premier allotments.

It enjoys enhanced outlooks from a greater portion of the home, whilst maintaining all the privacy that you would expect.

If you require extra space for visitors, storage or hobbies, this is the home for you.

The home size (including garage) is 151 m² approximately, and has a rear garden of 57m² approximately.

All floorplans are indicative and subject to change.
