THE GUILDFORD

THE KINNEAR

CONSTRUCTION NEWS

Stage One of the Village is coming together nicely with all 23 units now well underway and some nearing completion. The builders certainly have been busy, most of the work is now happening inside the units so it is not so easy to keep tabs on our progress, so here is the plan for the next four weeks weather and tradesman permitting of course: Units 27-29 will practically be completed. Units 30-32 & 33-35 will be completed on the inside and landscaping underway. Units 56-58 painting and tiling will be finished. Units 36 & 37 kitchens completed and painting underway. Units 59-61 will have their roof tiles on, brickwork started and plastering underway. Units 41-43 will have their roof tiles on. And finally Units 38-40 will have their frames completed. I do remind everyone that the village site is a construction zone and we ask for your own safety not to enter the village without myself present and safety vests on. If you are interested in knowing more about any of these units or you would like to take a tour of the village please contact me on 03 5562 6200 to arrange a time.

Regards Robyn Lake
