

Anchor Point

Newsletter October 2011 Issue 15

VILLAGE NOW OPEN

Anchor Point Village is open and operational with residents already enjoying the lifestyle the village offers. Our first residents are delighted with their new homes and are busy planning their own individual touches.

We welcome visitors to our village but ask that you respect our resident's privacy. We are currently located in Unit 27 which is located in the first block of units. The three display units are available to be viewed Monday to Friday 9.00am—5.00pm and on the weekends by appointment. We welcome your visit to the village and look forward to showing you the display suites which have been decorated beautifully to show case the interiors of the three styles.

WELCOME NEW RESIDENTS

Tim, Julie and Robyn extend a warm welcome to all our new residents, pets, family and friends. It is very exciting to get together for morning tea or lunch and share stories and ideas over a cuppa and cake. It is an interesting time to hear of our resident's plans decorating their interiors and planning their gardens.

CONSTRUCTION UPDATE

We are progressing very well with our construction although we continue to be hampered by poor weather. But we soldier on and complete what is possible in the typical seasonal conditions of early spring.

As of the middle of September 2011 we have 17 of the 23 units built and ready to move into. Several of those units are being enjoyed by our first residents, our pioneers. The remaining units to be built are to be located along the southern boundary of the site and will be finished in the coming weeks. These units include number 38 which will serve as the temporary clubhouse for all the early residents who move into the village and be a great central location for socialising, general information and the home of the village management team.

The landscaping of the village is progressing well and has certainly transformed the boundaries of the village with grass and trees. Speaking of the gates, have you seen them? They are spectacular and very well built and provide an amazing entrance into Anchor Point Drive. The automation will be connected to them in the coming weeks.

STAGE 1 PROMOTION AND OPENING

Don't forget to read all about our Stage 1 promotion. It is an exciting opportunity available to all who sign a contract for a home in stage one. See the brochure for details.

We will be having an Open day for the village on Saturday, 22 October, 2011 from 10.00am to 2.00pm. Please be our guest and join us in the celebration of the opening of our village. We have lots of ideas, planned by our residents. One thing is for sure, it will be a fun day for all!

There will be an official "ribbon cutting" ceremony at approximately 11.30am, followed by many activities that involve our "pioneer" residents, who like us are proud of their beautiful village and want to show it off to everyone.

Display opening hours
Mon to Fri 9am to 5pm
Sat by appointment only

Display Location
55 Aberline Road
Warrnambool
03 5559 8299
